

NEWSLETTER OF THE MENTONE FLYING CLUB

What Our Members Are Doing

Clair Dunwoody came to our summer ground school and was interested in going up on a flight. She said it was her first time in a small airplane and she LOVED it! She's a senior at Rochester and has already been accepted into Purdue's flight program.

Dan Pine soloed November 15th!

NOVEMBER
MEETING
snapshot

On November 18th, we nominated officers and board members, voted in a couple of new members, and Tom Flynn showed us an interesting video put together by Tom Flynn Jr. about his squadron, some of the missions they flew, and what they did during the nine months they were deployed.

CONGRATULATIONS!

Recent Soloed Members

DJ Kierpaul – September 22nd

Dan Pine – November 15th

NEW MEMBERS!

Kenny Martin – Owner Member

Kenny Martin is a train engineer who recently moved up to Plymouth from southern Illinois and would like to complete his flight training with us.

Bill Wherrett – Social Member

Bill has always wanted to learn how to fly, and thoroughly enjoys every time he gets to go up with a friend. He doesn't necessarily want to get his license, but would like to fly with other pilots.

Welcome to the club!

Fun Places to Fly

Merk's Family Dining in Muncie (KMIE) is located right on the airport. You can taxi right up to the restaurant and walk in the "Pilot's Entrance". The food is good (but then doesn't all food taste good after you fly?).

Jessica Richardson took her parents there a few weeks ago and ran into some of her pilot friends from her Ninety-Nines chapter :)

Calendar

December 16, 2017: Voting in of Officers (Ted mentioned that he's having a drawing...so you might want to show up to get some cool door prizes!)

January 17, 2017: FREE Private Pilot Ground School taught by Kevin Morrison. Classes will meet at the Rochester FBO conference room and start at 7:00 PM every Tuesday night for twelve weeks. You can contact Kevin at kevin.morrison@crowehorwath.com.

January 20, 2017: Annual Banquet at the Rochester Meat & Deli
