Mentone Flying Club Still Going Strong After Sixty Years

February 10, 2017 4:00 PM | Lasso Randels | Updated: Feb 10, 2017 @ 2:42 PM

MENTONE — The Mentone Flying Club was started sixty years ago by Dale Sinclair, Allen "Chick" Heren. The club began with nine members. Over the years, the club has grown, having up to 100 members at or. Flying Club moved its headquarters to ... [Read More](#)

Ink Free News came out to the airport last month and did a short story on our club for their online newspaper. Click on the picture above to read and share!

Boeing 787 Presentation

Join us for the March meeting (March 17th, 2017) to hear Dan Marohn's presentation on the Boeing 787 "Dreamliner". Dan has flown for American Airlines for 18 years and regularly flies the 787 to Tokyo, Shanghai, and Beijing!

What Our Members Are Doing

MFC News

Calendar

Breakfast!

The club meets every Saturday morning at 7:00 a.m. for breakfast at the Rochester VFW.

Once a month (every third Saturday) we also meet in Plymouth at Castaways (south of Walmart).

Welcome!!!

Krystal Brock-Lybarger joined us as a social member on February 17th

Michelle Herrell joined as an owner-member, also on February 17th, after driving all the way from Louisville...determined that she would make the meeting in time!

WANTED!

We need pictures, stories, memories, accomplishments to share in the newsletter ☺ If you have one or know someone who does, please contact Jessica Richardson at jessicaerichardson@yahoo.com or text 574-551-7035.

Krystal Brock-lybarger, Michelle Herrell, and Jessica Richardson flew up to Griffith (05C) for lunch with the 99s. If you want a Mexican restaurant to fly to, Mi Tierra is located in the FBO at Griffith!

Our waiter was hilarious...he came down to our side of the table after finishing with everyone's orders on the others side. There was quite a large group of talkative ladies. "This side isn't as crazy as that side," he joked. "That side is like takeoff, fully loaded, full fuel, on hot day. This side is on final to landing!" LOL!

Krystal, Michelle, and Jessica

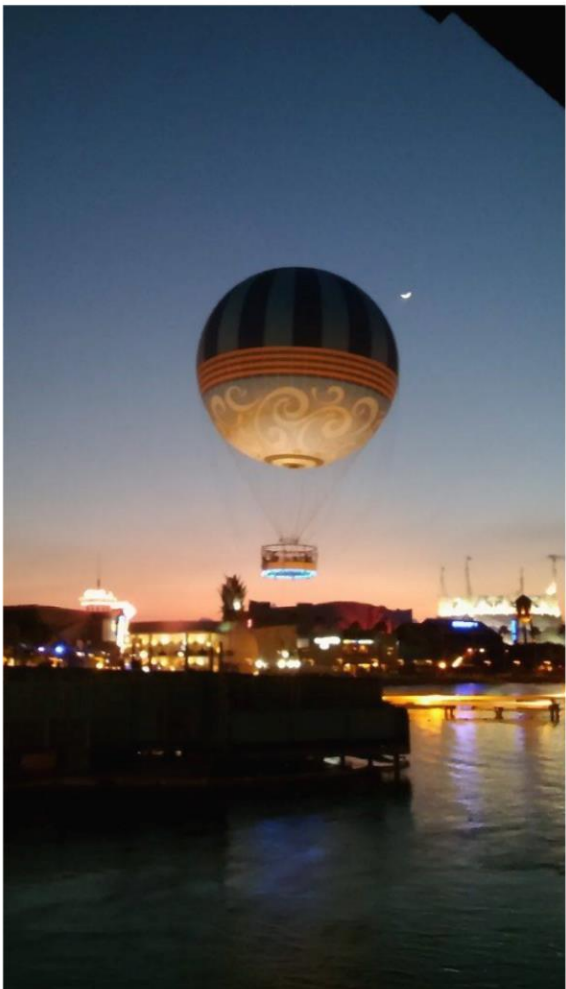

Because we're all really wishing for some green right now.... ;)

Jessica won the *Keep Flying* scholarship at the Women in Aviation conference on March 3rd. This scholarship will enable her to get her Instrument Rating, so beware...N12874 is going to be super busy for a while :D

While everyone else was diligently studying in ground school class, Jessica played hooky and took her first balloon ride...a tethered helium balloon in Disney Springs, Orlando :D

Jessica with scholarship sponsors, Kate Busch and Christi Dobelli.
